

Residential program

If you are looking to be restored, refreshed or renewed, we are here to help! We have a plan designed to bring healing and hope back into your life.

There is no other Christian residential program like ours in the state, where women on medication for depression or anxiety can apply for residency.

Our mission

The mission of the Women's Refuge of Vero Beach is to provide a live-in Christian program where hurting women can find sanctuary in a healing environment, and to provide a non-residential Christian program for all people who are serious about becoming disciples of Jesus Christ. We further commit to training people to disciple others.

"I came to the Refuge disillusioned, wary and confused. I had parts of the truth. The Lord has helped me apply the truth of God's word to my life." ~ Intern

"God has made a way for me to believe again. I was at a point where I just wanted to die. My journey is far from over... at times, I still feel I have a hard time, but now I know I have the most important person in the world on my side - the Lord Jesus Christ. He loves me and wants to help me. I love Him and I want to please Him!" ~Nine-Month Resident
